

## **CSR Projects approved by the Board of Directors of Reliance Industrial Infrastructure Limited for the Financial Year 2023-24**

### **A. Background:**

Reliance Industrial Infrastructure Limited ("RIIL/Company") is committed towards bringing positive societal change through its Corporate Social Responsibility ("CSR") initiatives. The Company's CSR policy and initiatives outline the vision, mission, thrust areas and key requirements as per the Schedule VII read with Section 135 of the Companies Act, 2013.

For the financial year 2023-24, the CSR initiatives of the Company shall focus on providing quality and affordable medical care to people living in slum areas primarily in Mumbai city. Through this initiative, the households can access these medical care services at accessible location which are equipped with a team of qualified Health Care Workers including MBBS doctors, Health Educators and well trained Nurses.

For the Financial Year 2023-24, the CSR programme will aspire to:

- Achieve National Accreditation Board for Hospitals & Healthcare Providers ("NABH") accreditation for the outreach program for standardization of clinical care and processes;
- Upgrade Mobile Medical Units;
- Establish Cancer Screening Program;
- Introduce new specialized services like -
  - Gastro Medicine, Pulmonology Medicine (TB focus), High risk pregnancy Clinic, Positive Mental health clinic and Hepatology
  - Establish E-Clinic in outreach for remote healthcare access for Outreach patients; and
  - Adopt an area for Emergency Response ("ER") and Intensive Care Unit ("ICU") care in outreach for high end care access to outreach patients through Tele ICU

During the previous financial year 2022-23, the Company had spent ₹ 20 lakh on Community Healthcare Initiative (Mobile and / or Static Medical Unit).
