**FINANCIAL EXPRESS** 

## RBI asks banks to align with global best practices on audits

PRESS TRUST OF INDIA Mumbai, January 7

**THE RBI ON** Thursday asked banks to align their internal audit function with international best practices, like those issued by the Basel Committee on Banking Supervision

As per a 2002 guidance note, banks are required to put in place a risk-based internal audit (RBIA) system as part of their internal control framework that relies on a welldefined policy for internal audit, functional independence with sufficient standing and authority within the bank.

RBI said while the guidance note lays out the basic

approach for RBIA functions, banks are expected to re-orient their approach, in line with the

evolving best practices, as a part of their overall Governance and Internal Control framework. "Banks are encouraged to

adopt the International Internal Audit standards, like those

RBI said banks are expected to re-orient their approach, in line with the evolving best practices, as a part of their overall Governance and Internal Control framework

issued by the BCBS and the **Institute of Internal Auditors** (IIA)," it said in a circular.

To bring uniformity in approach followed by the banks, RBI has advised them certain norms on 'authority, stature and independence', 'competence', 'staff rotation', 'tenor for appointment of head

of internal audit', 'reporting line'and'remuneration'. RBI further said the inter-

nal audit function should not be outsourced. However, where required, experts, including former employees, could be hired on contractual basis subject to the Audit Committee of the Board of Directors being assured that such expertise does not exist within the audit function of the bank, it said.

It has also said banks must ensure and demonstrate through proper documentation that their RBIA framework captures all the significant criteria/principles suited for their organisational structure, the business model and the risks.

> base price of ₹3.92 lakh crore recommended by Trai. The government has kept frequency bands of 3,300-3,600 MHz, that can be used for 5G services, out of the upcom-

Priyanka Chugh

# Assam, Karnataka and North

East have been reduced by more than 50% compared to the amount bidders paid in the spectrum auctions held in 2015.

The DoThas lowered the base price in the 900 Mhz band in 11 circles in the range of 27 to 57% compared to the market discovered price in auctions that were conducted in 2014 and 2015. The base price of 900 Mhz band spectrum in Delhi has been lowered by around 28% to ₹585 crore from ₹811.62 crore per Mhz that was paid by Bharti Airtel, Vodafone and Idea in 2014.

ing auction. These frequencies The base price for 900 Mhz were part of Trai recommendaband in Karnataka circle has come down to ₹238 crore per Mhz from ₹557.5 crore paid by Mhz bands frequencies in operators in the March 2015 auction, in Kerala to ₹199 crore from ₹369.4 crore and Madhya Pradesh ₹195 crore from ₹309.5 crore.

Back-of-the-envelope calculation shows that the base price of all 81.4 Mhz paired spectrum in the 900 Mhz band in the upcoming auction is around ₹9,000 crore lower than the price paid by operators in earlier rounds. Earlier, too, the DoT had lowered the reserve price for spectrum in telecom circles where no bids were received.

There were no bidders for 900 Mhz spectrum band in the October 2016 auction for four circles — Bihar, Gujarat, UP East and UPWest. The prices in these circles have been slashed in the range of 44% to 72% this time compared to the 2016 base

The base price in the 800 Mhz band has been lowered because spectrum in this band remained unsold in 15 of the 19 circles that were put for auction in 2016. Bids were received only for Gujarat, Punjab, Rajasthan and UP East. According to ICICI Securities, the final reserve price for 800 MHz spectrum in the upcoming auction is 18.5% lower than the October 2016 auction price, which should benefit the relevant operators.

Telcos can get airwaves for less SC cautions against news than half the price paid earlier reports citing it as source

> PRESS TRUST OF INDIA New Delhi, January 7

**REFERRING TO NEWS** reports quoting the apex court as a "source" about complaints against judges, and possibility of action by Chief Justice SA Bobde against them, the Supreme Court on Thursday said it never releases information about confidential procedure.

The official statement by the apex court follows recent reports quoting Supreme Court sources, on action taken by the CJI on a complaint by Andhra Pradesh Chief Minister YS Jagan Mohan Reddy against judges of the higher judiciary.

"Media has recently been reporting about complaints making insinuations against members of the higher judiciary, and the action likely to be taken by the Chief Justice of India," said the apex court. The statement said the use of

the apex court as the source to lend credibility to such news reports and said the "in-house procedures" to deal with complaints against judges of higher judiciary was wholly confidential in nature and it never releases such an information.
