Sion Hospital doctor who mowed down woman released on bail

EXPRESS NEWS SERVICE
MUMBAI, MAY 26

PROFESSOR AND head of the forensic medicine and toxicology department at Mumbai's Sion Hospital, Dr Rajesh Dere, was released on bail on Sunday in a case where he allegedly ran his car over a 60-year-old patient on the hospital premises on Friday night.

Dr Dere was produced on Sunday afternoon before a judge in court in Bhowanda. His lawyer, Ayush Pasola, said, "My client has been released by the court on Rs 20,000 cash bail as the offence is bailable. We have assured full cooperation with the police."

At around 7.30 pm on Friday, Dr Dere stepped out of the building and got into his car to mark his attendance. While driving towards the punching machine, as he turned left near Gate 7, the car ran over the woman.

According to police, a CCTV video showed that the woman has collapsed on the ground and Dr Dere's car ran over her while making a left turn.

The woman was later identified as Zubaida Shaikh, a Mumbai resident.

The matter was not immediately reported to police by the hospital.

According to police, Dr Dere called the authorities of the government hospital after the incident and admitted Shaikh to ward number 20. She was

GHATKOPAR BILLBOARD COLLAPSE

Police: Pillars were just a few feet deep, crash due to poor quality work

MOHAMED THAYER
MUMBAI, MAY 26

THE MUMBAI police SIT probing the Ghatkopar billboard collapse case told the court that photographs of the base of the hoarding pillars show prime facie poor quality of work approved to save money. The police said when the five pillars were dug up to collect samples, the depth appeared to be only a few feet below which piling work—done to strengthen the ground—was found.

The SIT made these submissions before the court on Sunday while seeking further remand of arrested accused Bhavesh Bhide. The court extended his custody till May 29.

The remand report stated, "This company has about 28 hoardings all over Mumbai and the surrounding areas and gets a monthly income of crores of rupees. Still, based on the photos of the foot of the hoarding taken at the site of the incident prima facie show that the construction was of poor quality with the aim of getting more financial benefits. Due to this act of the accused, 17 innocent people have died and more than 80 people have been injured causing huge loss of life and money."

Soon after the incident, the BMC had asked Veemata Jijabai Technological Institute (VTI) to conduct a probe on whether the structure was stable and submit a report. When the Indian Express visited the spot on Friday, a crane was used to remove the five pil-

RS 263-CRORE ITR FRAUD CASE

ED conducts second round of search at IPS officer's house

EXPRESS NEWS SERVICE
MUMBAI, MAY 26

THE ENFORCEMENT Directorate (ED) Mumbai on Saturday carried out a second round of search operation at the Colaba residence of an Indian Police Services (IPS) officer after arresting her husband last week in the Rs 263 crore Income Tax Refund (ITR) fraud case.

In the latest search the central agency is believed to have seized incriminating documents, agency sources said.

The sources have also confirmed that ED officials questioned the staff of the IPS officer for hours, including her orderly and her driver.

So far the agency has not found anything that points out any role of the IPS officer in helping her husband Purushottam Chavan. However, the agency inquired her staff trying to obtain details of how Chavan used to operate and who all he would meet.

Chavan would be produced in

the Special Prevention of Money Laundering Act court on Monday. The ED may seek extension of its custody for further investigation.

Chavan, who the ED said was involved in the possession of part of Proceeds of Crime (POC), was arrested on Monday under the provisions of the PMLA.

In the first raid at IPS officer's house ED had seized several property documents, foreign currency, and mobile phones.

This IPS officer was instrumental in arresting the accused in the 'Clubhouse cases' in 2022 where images of Muslim women were posted in an attempt to "auction" them and objectionable content was shared in the chatrooms.

Before Chavan, the ED arrested four people connected with this case—former Income Tax (IT) officer Tanaji Mandal Adhikari, Bhushan Patil, and Rajesh Shetty, who are in judicial custody. Another accused Rajesh Briljal Bhatra is in ED custody.

Adhikari, whom the central agency arrested last year, allegedly generated fake Tax

Deducted at Source (TDS) returns to the tune of Rs 263 crore when he was posted at the IT Department's Mumbai office.

The ED's action is part of its investigation initiated based on the First Information Report (FIR) registered by the Central Bureau of Investigation (CBI), Delhi under various sections of the Indian Penal Code (IPC) and Prevention of Corruption Act, 1988, against Adhikari and others for fraudulently generating and issuing TDS refunds from the Income Tax department to the tune of Rs 263.95 crore.

The central agency's investigation revealed Rajesh Bhatra and Chavan were in regular contact and shared incriminating messages related to hawala transactions and diversion of proceeds of the crime, ED stated.

The agency has already seized and attached immovable and movable properties worth Rs 168 crore belonging to the accused.
